MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: VIP Demonstration (U)

1.

I would like to extend an invitation to you to attend what I consider a very significant milestone in this foreign materiel program. On 16 August 1989, at Fort Knox, Kentucky, there will be a VIP operational demonstration of the Soviet tank as part of the trinational large scale operational test program that will be conducted 15 July - 15 September 1989.

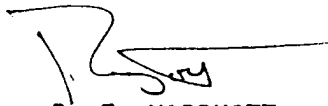

answer questions.

2. (S/NF/WN/OC/NC) The following are considerations you may wish to weigh in determining your possible participation in the 16 August VIP demonstration:

a. (S/NF/WN/OC/NC) The Fort Knox program will take about 3-4 hours. DIA is planning to arrange a military air flight from Andrews AFB to Fort Knox for this demonstration. The entire activity will take 5-6 hours from departure to return. An Andrews AFB departure before noon would probably be best.

b. (S/NF/WN/OC/NC) Due to space limitations I must ask that attendance be limited to yourself only. A video tape covering the major results of the test program will be produced and available for your viewing should you not be able to attend.

3. (U) If you are able to attend the demonstration please advise my action officer, [redacted] prior to 14 July 1989.
